## HISTORY OF THRELKELD VILLAGE HALL

The Village Hall dates originally from 1901, when it was built on land donated by a local benefactor. It has been extended and improved over the years, and continues to serve as the main place of public assembly in Threlkeld, used for a whole range of social, recreational, educational and civic purposes.

The recent revitalisation cost over £650,000; most of the money was provided by funding bodies, in particular by the Big Lottery. A list of the main funders is displayed in the main corridor. The project followed a five year campaign and active fundraising by the local community.

The Hall now contains the Coffee Shop operated by a Community Interest Company owned by the Village Hall Trust, on behalf of the community, with all surplus proceeds going for local public benefit. This is a high quality, professionally managed commercial operation, open 10am-5pm (10am to 4pm in Winter).

## HOW TO GET HERE

These cards will be programmed with the parts of the building, times of day and time period which has been booked.* Users will normally be issued with one card. If more are needed please make arrangements for this when booking.

Main points of using the system are:

- all doors can be opened from the inside at all times and the automatic doors always open automatically when leaving the building; so you will not get locked *inside*
- the external doors will open automatically during the day but if you are using the hall in the evening or overnight you need to take your card with you to get back in.
- present the card to the sensor on or close to the door. A light goes green to indicate open and red to indicate locked.
- ***when finished, use your card to lock ALL rooms to which you have had access. You do not need to lock the external doors as this will happen automatically.***
- ***If you have used the main hall, make sure the fire exit to the street is closed***
- unless told otherwise, when finished please leave your card behind in the Village Hall post box by the front door. We will know who it is from. NOTE: We charge for non-return of a keycard

## ALCOHOL POLICY

The Hall has a licence for the sale of alcohol. The Village Hall Trust Management Committee is responsible for ensuring that any sale of alcohol is within the terms of this licence as required by the law. Where alcohol is provided for sale at an event or activity, the licence provisions must be observed. As well as direct sales across a bar, any supply of alcohol which is linked to purchase of some other item or is included in the entry fee etc is classed as sale of alcohol.

Where any hirer of the Hall intends to sell alcohol at an event, then they must

- state this in their Booking Confirmation Form
- pay a small fee to the Hall for the use of the licence
- certify in their Booking Confirmation Form that they have read these provisions and will abide by them
- ensure that anyone engaged in the sale of alcohol is aware of these provisions

They must ensure that:

- small measures as follows are available and this availability publicised:
  - beer or cider - half pint
  - gin, rum, vodka or whisky - 25ml or 35ml
  - still wine in a glass - 125ml

unless the drinks in question are sold or supplied in pre-sealed bottles or cans

- there are no irresponsible promotions of alcohol
- there is no dispensing of alcohol directly into customers' mouths
- tap water is available at no cost
- people who are under 18 are not served; individuals who appear to be under the age of 18 years of age must produce on request (before being served alcohol) identification bearing their photograph and date of birth
- alcohol is never served to anyone who is drunk or disorderly
- people leave the premises in a quiet and orderly manner and do not cause any disturbance to neighbours.

## PARKING

There is a small car park which accommodates 15 cars, including one space dedicated to disabled car users.

You can park on the roadside but please do not park across the front entrance or fire exit.

Just beyond the village hall towards Keswick is Station Road which is a Dead End and provides plenty of space for parking. Also, about 300m up Blease Road opposite the hall there is a car park.

## CLEARING UP AND LOCKING UP

It is important that you clean up at the end of your hire period. In particular please:

- Make sure the kitchen is left clean and items put away correctly.
- Mop up any spills (mop in kitchen)
- Sweep up. (brush in kitchen and large sweeper in Store A for the hall)
- Wipe down all the tables used and put away.
- Stack chairs and put away using chair trolley
- **Leave no food**
- Put waste in the appropriate bins in the kitchen – the recycling bin is for plastic bottles, cans and glass only.
- If you have a large function (camping group, party or wedding) you will be asked to remove **ALL your waste**. Recycling can be taken to a recycling centre about 100m up Blease Road opposite the hall
- If you have used the meeting room/coffee shop, you must return it to how you found it.

***We reserve the right to charge for failure to clean up and for disposing of excess rubbish***

## OVERNIGHT CAMPING

The Hall can be hired by groups for “camping”. ***Camping groups must take special note of the references in this document to safety, security, fire precautions and general use of the building.***

There are some special points which relate to these groups:

- a camping group must normally restrict itself to the Main Hall
- remember this is a public space when you go to use the showers and dress appropriately.
- Do not leave valuables in the hall
- camping groups must not use any gas or paraffin stoves; only the Hall kitchen equipment must be used for cooking
- the sensor operated lights in the toilets go out if there is no movement for a long period of time (consider when showering!)
- the Emergency Exit lighting is always illuminated and no attempt must be made to switch it off or obscure it
- ***make sure you take a keycard if you leave the building in the evening or overnight in order to be able to get back in***

## OTHER POLICIES

### No Smoking

***The Hall and its exterior areas are a “no smoking” area. This includes the verandah, car park and front porch.***

### Music

The Hall has PRS and PPL licences allowing use of live and recorded music. These apply to all Hall users. ***However anyone playing recorded music as part of an event for which a fee is charged (such as an exercise class) may need to have their own licence.***

***All music must stop at midnight at the latest.***

You are reminded that Threlkeld Village Hall is set in a residential area and excessively loud music must be avoided.

### Films

The Hall has a local authority license to cover the showing of films, but this is not the same as a license from a film distributor. A license to view a film is almost always needed for any showing in the Village Hall, even when it is a private event; the Village Hall Trust will assume that anyone showing a film is aware of this requirement and has obtained the necessary license from the film distributor.

### Protection Policies

The Village Hall Trust has Policies covering, amongst other things:

- Health and Safety
- Equal Opportunities
- Child Protection
- Environment
- Data Protection

These policies are displayed in the Hall. We expect all people who book and who use the Hall to comply with them.

## COMPLAINTS

We are always interested in feedback on your experience of the Hall, positive or critical. If you do have any cause for complaint, please mention this to the Bookings and Marketing Secretary.
